Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot, excepting Millennium Development, Inc., by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of the Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be exclusively to promote the recreation, health and welfare of the residents of the Properties and for the improvement and maintenance of the Common Area. It shall be the obligation of the Association to make provision for the maintenance of the Common Area. The Association shall be reimbursed by the Mallard's Lake Villaminium Association, Inc. for its pro-rata share, as defined in the Covenants for the Villa Section, of the Common Area improvement and maintenance expenses.

Section 3. Maximum Annual Assessments. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be One Hundred Twenty Dollars (\$120.00) per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than 8% above the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above 8% by the vote or written assent of 51% of each class of members.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of construction, repair, or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the vote or written assent of 51% of each class of members.

Section 5. Notice and Quorum for any Action Authorized Under Sections 3 and 4. Any action authorized under Sections 3 or 4 shall be taken at a meeting called for that purpose, written notice of which shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. If the proposed action is favored by a majority of the votes cast at such meeting, but such vote is less than the requisite 51% of each class of members, members who were not present in person or by proxy may give their assent in writing, provided the same is obtained by the appropriate officers of the Association not later than 30 days from the date of such meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly or yearly basis.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following conveyance of the Lot. The first annual assessment shall be prorated according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of

the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of 12% per annum. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. In no event shall the Developer be obligated to pay any dues or assessments for any Lot that the Developer owns.

ARTICLE V ARCHITECTURAL CONTROL

No building, deck, fence, wall, inground swimming pool or other structure, including but not limited to swing set, gym set or sand box, shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony and style of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by the Architectural Control Committee (the "Committee"), such committee to be composed of three members, the first committee members to be: Eleftherios Maggos, Gregory L. Roberts, and Daniel P. Lee. A majority of the committee may designate a representative to act for it. In the event of death or resignation of any member of the Committee, the remaining members shall have full authority to designate a successor. In the event said Board or Committee fails to approve or disapprove such design and location within thirty (30) days after said complete plans and specifications have been submitted to it, approval will not be required, and this Article will be deemed to have been complied with in full.

Section 18. No rain and storm water run-off or such things as roof water, street pavement and surface water, caused by natural precipitation, shall at any time be discharged into or permitted to flow into the Sanitary Sewer System, which shall be a separate sewer system from the Storm Water and Surface Water Run-off Sewer System. No sanitary sewage shall at any time be discharged or permitted to flow into the above-mentioned Storm Water Run-off Sewer System.

Section 19. Installation of Improvements. Before any house or building on any Lot in this Subdivision shall be used and occupied as a dwelling or as otherwise provided by the Subdivision restrictions above, the developer or any subsequent Owner of said Lot shall install improvements serving said Lot as provided in said plans and specifications for this Subdivision filed with the County of Allen. This covenant shall run with the land and be enforceable by the County of Allen, State of Indiana or by any aggrieved Lot Owner in this Subdivision.

Section 20. Permits Required. Before any Lot may be used or occupied, such user or occupier shall first obtain from the Allen County Zoning Administrator the Improvement Location Permit and Certificate of Occupancy as required by the Allen County Zoning Ordinance.

Section 21. Enforcement Rights. The Association, Millennium Development, Inc., and any Owner shall have the right to enforce, by a proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of these covenants and restrictions. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 22. Invalidation. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provision which shall remain in full force and effect.

Section 23. Term of Covenants and Renewals. The covenants and restrictions herein contained shall run with the land and be effective for a term of twenty (20) years from the date these covenants and restrictions are recorded after which they shall automatically be extended for successive periods of ten (10) years; provided these covenants and restrictions may be amended by an instrument signed by not less than 75% of the Lot Owners of Lots 1 to 132, inclusive, and provided further, Millennium Development, Inc., its successors or assigns, shall have the exclusive right for two (2) years from the date of recording of the plat to amend any of the Covenants and Restrictions, except Article VI, Section 2 above, with the approval of the Allen County Plan Commission, but without the need for consent of any of the Lot Owners.

Section 24. No Subdividing of Lots. No Lot or combination of Lots may be further subdivided until approval therefor has been obtained from the Allen County Plan Commission.

Section 25. Sidewalks. Plans and specifications for this Subdivision, on file with the Allen County Plan Commission, require the installation of concrete sidewalks within the street right-of-way in front of all Lots on both sides of all streets in the Subdivision. Except for common area sidewalks, which shall be the responsibility of the developer, installation of all other sidewalks shall be the obligation of the Owner of any such Lot, exclusive of the developer, and shall be completed in accordance with said plans and specifications and prior to the issuance of a Certificate of Occupancy for any such Lot. The cost of said installation shall be a lien against any such Lot enforceable by the Allen County Plan Commission or its successor agency. Should such Certificates of Occupancy be issued to the developer, such individual or corporation shall be considered an Owner for the purposes of the enforcement of this covenant.

Section 26. Attorney's Fees and Related Expenses. In the event the Association or Millennium Development, Inc. shall be successful in any proceeding, whether at law or in equity, brought to enforce any restriction, covenant, limitation, easement, condition, reservation, lien or charge now or hereinafter imposed by the provisions of the Dedication, Protective Restrictions, Covenants, Limitations, Easements and Approvals appended to and made a part of the Dedication and Plat of Mallard's Lake, it shall be entitled to recover from the party against whom the proceeding was brought all of the attorney's fees and related costs and expenses it incurred in such proceeding.
