If the homeowner fails to complete the approved work by the agreed-upon date without obtaining a written extension from the Architectural Committee, the property will be deemed in architectural non-compliance. The homeowner will be subject to a non-compliance assessment of **\$25 per day** for each calendar day the project remains incomplete past the deadline, following notice and an opportunity for a hearing.

Written notice of non-compliance shall be sent to the homeowner **no less than 30 days prior** to the commencement of the daily assessments. The Association may levy **a lien** against any property if the outstanding non-compliance assessment(s) are not settled within **30 days** of written notice of the final amount owed.

The Architectural Committee and/or Board Members may waive assessments or grant extensions, provided a minimum of three (3) members vote in agreement.
